As a member of the National Association of Residential Property Managers, Dolores Bedard received the distinguished RMP designation. She also served as the 2001 and 2004 President of the SW Idaho Chapter of NARPM.

Company Profile

As of June 1, 2011

248 doors managed – 96 Owners

4 Home Owners Associations managed

2 Apartment complexes; some with several owners within the same complex and with On-site Managers who handle the day to day activities.

As you can see there is room for some growth, but we will limit to who, where and what is managed. This will maintain optimum professionalism and personalized service to all of the owners which defines the company motto.

“COMMITTED TO YOUR INVESTMENT”
